

KING GROK

# KING GROK

WHITEPAPER

## INTRODUCTION

---

The battle for the GROK throne has begun!

The kingdom of Grok-powered memes has waxed strong and flourished in abundance. God-green candles are nearly the norm. Yet, it's found no one worthy to lead the movement towards dominating the meme kingdoms across chains. The fearless & brave King Grok is born by the Grok Father to unite the tribes of Grok memes for the greatest meme takeover. We win or we die.

Time is not on the side of GROKs. As the meme kingdoms across blockchains continue to grow fast, they must join hands with the KING GROK to advance their terrain and bring all who stand against them to their knees. There's no turning back from this point. No surrender.

We charge towards the moon!

## MISSION

---

The mission of the king of all Grok Memes is to make the Grok-powered Meme family the most powerful across chains starting with the Binance Smart Chain, uniting all tribes and sects of Grok Memes and combining their strength and intelligence to become the most viral meme whilst expanding the adoption of Web3.

We have one goal - a total Grok-meme takeover. The GROK King must dominate all kingdoms.

The objectives are strategically laid out:

- **Unite all tribes of GROK Memes** to become an unstoppable meme force to pump for the moon!
- Establish the united Grok Meme community as **the most powerful meme family on the BSC chain**.
- **Conquer Memes across all other chains** and make the Grok King the king of meme kings.
